BIRTH OF THE IKWF

The Illinois Kids Wrestling Federation began when Ken Kraft, Illinois Wrestling Chairman from 1969 to 1971, appointed Ron Silverstein as Illinois Kids Director. Silverstein's task was to put together a statewide program for wrestlers eighth grade and younger.

During the administration of Ron Silverstein and Arch Richoz the concept of a club based structure was formed. It was Illinois right in on the ground floor establishing this organization with Terry Weber of New Lenox being elected the first Secretary/Treasurer.

During the 1976-77 season, USA Wrestling initiated the national card and club registration systems. This was the direct result of a proposal made by IKWF President Larry Stonitsch.

As you can see from this brief summary, Illinois' role has been very important in the formation and continued growth of USA Kids Wrestling Programs.

HOW DO YOU BECOME INVOLVED IN THE IKWF?

As a club, your first step is to become chartered with the IKWF. This will enable your club to have a voice in decisions regarding how the IKWF operates. Member clubs are encouraged to attend the regular meetings, the minutes of which are sent to each club.

For charter or registration information, contact the IKWF at (708) 206-0701, ikwf@ikwf.org, or 4932 Wilshire Blvd, Country Club Hills IL 60478.

MEDICAL AND LIABILITY INSURANCE COVERAGE

The IKWF, through USA Wrestling, provides secondary, non-duplicating insurance benefits to all members. There are two kinds of insurance protection, medical accident and liability. The terms of these coverage's are available on the IKWF website (www.ikwf.org).

SANTION OF COMPETITIVE EVENTS

All IKWF events must be sanctioned. The event must be competitive, as defined by the use of referees, scorekeepers, and a recognized pairing/bracketing format. All wrestlers competing in an IKWF sanctioned event must hold a valid USA Wrestling membership card. An application for sanction, signed by the IKWF Secretary/Treasurer, must be filed with our insurance carrier no less than 30 days before the event. Liability insurance in the amount of \$5,000,000 is provided for each sanctioned event.

22.11.1.2.2. Head to head and common opponents.

22.11.1.2.3. Higher place finish in last year's state tournament, use higher weight if tied.

22.11.1.2.4. Draw by seeding meeting director.

22.11.2. * Procedures for conducting the seeding meeting.

22.11.2.5. Care should be taken to separate teammates. Wrestlers from the same team should be seeded and drawn into opposite half brackets when possible. If three or four wrestlers from the same team appear on the same bracket, these wrestlers should be seeded and drawn into opposite quarter brackets when possible.

22.12. Sectional Pairings

22.12.1. All wrestlers will be paired by the following predetermined rotations

22.12.2. Sectional pairings for a two regional sectional:

Bout 1	B3 vs. A5	Bout 5	Wn Bout 1 vs. A1
Bout 2	A4 vs. B6	Bout 6	Wn Bout 2 vs. B2
Bout 3	B4 vs. A6	Bout 7	Wn Bout 3 vs. A2
Bout 4	A3 vs. B5	Bout 8	Wn Bout 4 vs B1

22.12.2.1. **Special Situations:**

- 22.12.2.1.1. In the event regional A has 3 wrestlers and regional B has 5 wrestlers, place the 5th place wrestler from Regional B in the 6th place spot for Regional B. In
- 22.12.2.1.2. In the event Regional A has 1 wrestler and Regional B has 3 wrestlers, place the 3rd place finisher from Regional B in the 4th place spot for Regional B.
- 22.12.2.1.3. No wild cards shall be put on a bracket farther than the wrestlers that beat them in a qualifier. Example: Tournament A has 8 wrestlers and tournament B only has 2. Instead of putting A7 in the B3 spot and A8 in the B4 spot, A4 should become B3, A5 becomes A4, A6 becomes B4, A7 becomes A5, and A8 becomes B5. By rotating the qualifiers this way no wild cards pass up the true qualifiers and there is no need to use the next weight class rotation.

22.12.3. Sectional Pairing for three regional sectional:

Intermediate	49-70-101	52-74-108	55-79-122	58-84-138	62-89-156	66-95-177
Novice	62-89-130	66-95-138	70-101-156	74-108-177	79-115-215	84-122
Senior	74-108-156	79-115-166	84-122-177	89-130-189	95-138-215	101-147-275
	Pairing #1	Pairing #2	Pairing #3	Pairing #4	Pairing #5	Pairing #6
Bout 1	B4 vs. C2	A2 vs. C3	A3 vs C4	B4 vs. C3	C2 vs. A3	A2 vs. C4
Bout 2	A4 vs. C3	A3 vs. B4	A2 vs. B4	A4 vs. C2	C3 vs. B4	A3 vs. B4
Bout 3	A2 vs. B3	C4 vs. B2	B2 vs. C3	A3 vs. B2	C4 vs. B3	C2 vs. B3
Bout 4	C4 vs. A3	A4 vs. B3	A4 vs. B3	C4 vs. B3	A4 vs. B2	A4 vs. C3
Bout 5	A1 vs. wn bt 1	B1 vs. wn bt 1	B1 vs. wn bt 1	A1 vs. wn bt 1	B1 vs. wn bt 1	B1 vs. wn bt 1
Bout 6	B1 vs. wn bt 2	C2 vs. wn bt 2	C1 vs. wn bt 2	B1 vs. wn bt 2	A2 vs. wn bt 2	C1 vs. wn bt 2
Bout 7	C1 vs. wn bt 3	A1 vs. wn bt 3	A1 vs. wn bt 3	C1 vs. wn bt 3	A1 vs. wn bt 3	A1 vs. wn bt 3
Bout 8	B2 vs. wn bt 4	C1 vs wn bt 4	C2 vs. wn bt 4	A2 vs. wn bt 4	C1 vs. wn bt 4	B2 vs. wn bt 4

22.12.4. If a sectional with three regional tournaments has wrestlers from only two regional tournaments competing in the sectional, then use the sectional for a “Two regional sectional” (22.12.2 above) to assemble the sectional bracket. Assignment letters are as follows:

- 22.12.4.1. If A, B, and no C then A is A and B is B.
- 22.12.4.2. If A, C, and no B then A is A and C is B.
- 22.12.4.3. If B, C and no A then B is B and C is A.

22.12.5. If four wrestlers advance from two of the regionals and no wrestlers advance from the other regional, none of the above pairings will eliminate the first round bout. If this situation arises, the following pairing will be used:

Entries	Bout 1	Bout 2	Bout 3	Bout 4
4 A's & 4 B's	A1 vs. B4	B2 vs. A3	A2 vs. B3	B1 vs. A4
4 A's & 4 C's	A1 vs. C4	C2 vs. A3	A2 vs. C3	C1 vs. A4
4 B's & 4 C's	B1 vs. C4	C2 vs. B3	B2 vs. C3	C1 vs. B4

22.12.6.2.Brackets will be posted on the IKWF website no later than Monday night following the sectional tournaments. The brackets will be available to the public.

22.12.6.3.A low number of entries may result in a first round bye even though sixteen or fewer wrestlers are on the bracket. If this situation arises with the designated pairing, pair the weight class using the next weight class that solves the problem. Continue using the rotation until a pairing fixes the problem. If this does not work then go to the national federation rulebook to determine a solution.

22.12.6.4.Uneven brackets

22.12.6.4.1. Because of the lack of entries at a certain weight class, the predetermined pairing may result in extremely uneven bracket at sectional and state tournament competition. The following bracket arrangements will not be acceptable:

11-man bracket – 3 on one side	7-man bracket – 2 or less on one side
10-man bracket – 3 or less on one side	6-man bracket – 2 or less on one side
9-man bracket – 3 or less on one side	5-man bracket – 1 on one side
8-man bracket – 2 or less on one side	4-man bracket – 1 on one side

22.12.6.4.2. If the above arrangements occur, the pairing for the next weight class shall be used. If this pairing does not solve the problem, the next pairing shall be used. If necessary, go to the next pairing until an acceptable bracket is formed. If an acceptable bracket cannot be found, the president shall form a committee to find a bracket that complies with the IKWF by-laws and the national federation rulebook.

22.12.7. Consolation matches

22.12.7.1.In regional tournaments, all senior, novice and intermediate division brackets shall be double elimination. All bouts will be wrestled. There are no walkovers in regional tournaments.

22.12.7.2.In sectional tournaments, the Bengal-Wild system shall be applied. This system provides that all wrestlers defeated by each of the championship finalists shall compete in the consolation bracket.

22.12.7.3.In all regional and sectional tournament, championship and third place bouts shall be conducted simultaneously, or third place bouts may be wrestled immediately preceding the championship bouts. Officials assigned to the tournament may elect to work a system with an assistant referee for the first and/or third place bouts. With two divisions wrestling in regional and sectional tournaments, it is recommended that at least two mats be used for the final rounds.

South	101/95	166/177	--/--

24.2. When an opening occurs at a given weight class, the sectional corresponding to that weight class will be called to fill the opening with their 4th place wrestler. If that sectional does not have a 4th place finisher at the weight, the sectional below it on the rotation will be called.

Example of use:

There are 3 byes at Novice 62 lbs.

The 4th place finisher from the South Chicago sectional will fill the first opening.

24.4.3. Once a 4th place wrestler is inserted in a tournament as a wild card he will no longer be used as an alternate. If an alternate is needed at that weight, the 5th place wrestler will be used. If there is no 5th place wrestler, a bye will be awarded.

If one regional has no wrestlers at a given weight, the 7th place finisher will be inserted in the 1st place spot normally filled by the other regional. The 2nd place spot shall be filled by the 8th place finisher and so on.

24.5. Wild card procedure for the State Tournament

24.5.1. When applicable, the wild card will no longer be placed in the 1st round.

24.5.2. Step 1: Place wild cards as 3rd place finisher from his sectional, place 3rd place finisher as 2nd place (preliminary round bout) and move 2nd place into the open spot in round 1 (first round bout).
